

# Talkn Privacy Policy

1. Talkn is public and post comment are immediately viewable and searchable by anyone around the world. We give you non-public ways to communicate on Talkn too, through protected post comment and Direct Messages. You can also use Talkn under a pseudonym if you prefer not to use your name.
2. When you use Talkn, even if you're just looking at post comment, we receive some personal information from you like the type of device you're using and your IP

address. You can choose to share additional information with us like your sns friend, email address, phone number, address book contacts, and a public profile. We use this information for things like keeping your account secure and showing you more relevant post comment, people to follow, events, and ads.

3. We give you control through your setting to limit the data we collect from you and how we use it, and to control things like account security, marketing preferences, apps that can access your account, and

address book contacts you've uploaded to Talkn.

4. In addition to information you share with us, we use your post comment, content you've read, Liked and other information to determine what topics you're interested in, your age, the languages you speak, and other signals to show you more relevant content. We give you transparency into that information, and you can modify or correct it at any time.
5. If you have questions about this policy, how we collect or process

your personal data, or anything else related to our privacy practices, we want to hear from you. You can “[mirazle2069@gmail.com](mailto:mirazle2069@gmail.com)” at any time.
